

SHIVAM YADAV

Full-Stack Developer (MERN) | Java & DSA Enthusiast

Greater Noida, UP | shivamyadavbabu449@gmail.com | 7880928874

LinkedIn: <https://leetcode.com/u/rEFbqQPGtk/> | **LeetCode:** rEFbqQPGtk | **HackerRank:** shivamyadavbabu1

EDUCATION

- **B.Tech in Computer Science & Engineering | GCET | 2023 – 2027** ○ **Current**
CGPA: 6.89 / 10 (Up to 5th Semester)
 - **Intermediate (12th) |** Guru Gorakhnath Vidyapeeth Bharohiya ,Pipiganj | **Year: 2022**
| Percentage: 80%
 - **High School (10th) |** Guru Gorakhnath Vidyapeeth Bharohiya ,Pipiganj | **Year: 2020** |
Percentage: 79%
-

TECHNICAL SKILLS

- **Languages:** Java (Data Structures & Algorithms), JavaScript (ES6+), SQL
 - **Full-Stack Development:** MongoDB, Express.js, React.js, Node.js (MERN Stack)
 - **Tools & Technologies:** Postman, Git, GitHub, REST APIs, JWT, Multer
 - **Core Fundamentals:** Object-Oriented Programming (OOPs), Database Management (DBMS)
-

ACADEMIC PROJECTS

Punarva – Waste Management & Recycling Marketplace

- Developed a full-stack marketplace platform using the **MERN stack** to connect waste generators with recycling units.
- Implemented **Secure Authentication using JWT** and managed image uploads for scrap listings using **Multer**.
- Built a comprehensive **Dealer Dashboard** to track pickup requests, manage inventory, and update status in real-time.

Financial Dashboard & Expense Tracker

- Created a robust financial management tool to track daily transactions and visualize spending patterns.
 - Integrated features for **PDF Report generation** and interactive data visualization using **Charts.js**.
 - Developed advanced **Transaction Filtering** logic on the backend for customized data retrieval.
 - Utilized **Postman** for rigorous API testing and followed a modular folder structure for better code maintainability.
-

ACHIEVEMENTS & CODING PROFILES

- **LeetCode:** Solved **200+ problems** (Java) focusing on Arrays, Strings, and Graphs.
 - **Consistency:** Maintained a dedicated streak of problem-solving on competitive platforms.
-

STRENGTHS & INTERESTS

- **Interests:** Competitive Programming, Personal Grooming, Cricket (IPL).
- **Soft Skills:** Technical Communication, Problem Solving, Adaptability.
